Port of Antwerp

Network development

2025 prognosis

- 70 sites
- 9 countries
- Electrifying major international transport routes

Tegen de stroom in van netcongestie

Netcongestie zet rem op netwerkgroei in Nederland, maar...

- Zou Milence ook bij kunnen dragen aan het lokaal oplossen van netcongestie?
- Hoe ziet dat er technisch, organisatorisch en juridisch uit?
- Hoe krijgen we cruciale stakeholders mee?
